Introduction date	<=1982
End date	>=1982
Type	4 funct
Last update date	2010_10_01
Programmable	N
RAM size	1
ROM size	
Number of functions	7+4mem
Alpha capabilities	N
Number of keys	26
Display type	LCD
Number of digits on display	8+indic
Graphical (X x Y)	N
Extention(s)	N
Printer	N
Saving	N
Date or clock capabilities	N
Microprocessor	Nec D1832G
Functions list	Sqrt % +/- CM RM M- M+
Size (length x width x thickness)	120x65x8
Weight	
Batteries	1xCR2032

	(3Vcell)
External power	N
Power consumption	
Twin	
Made in	Japan
